

LUMIMAX® Connection Cable M8 - 5-pin

Product image

Picture may differ from the original product

Description

- Connection cable with a M8 5-pin plug (female) for lightings of the LUMIMAX® product series with M8 5-pin connector, suitable for drag chain and robotics
- Available lengths: 2,0 m / 5,0 m / 10,0 m / 15,0 m
- Coolant and lubricant resistance

Technical data

Nominal voltage	300 V
Approvals	cULus (UL10493/20549)
Outer diameter	5,6 mm
Minimum bending radius	28 mm (fixed), 56 mm (moved, drag chain use)
Temperature range	-25°C up to +60°C
Outer sheath	PUR
Shield	braided conductor
Connector Plug	5-pol. M8, IP64

Pin- / Wire assignment M8 5-pin plug for LUMIMAX® lightings

PIN	Wire colour	Configuration	Picture
1	brown	U _B	
2	white	GND Operation voltage	
3	blue	GND	
4	black	+ ON / OFF	
5	grey	+ Trigger TTL	
	black (short)	Shield
